Workforce Times Newsletter

June 2010

**From the Desk of Jim Catalino, Lawson Healthcare,
Senior Vice President and General Manager**

Welcome to the June issue of the Workforce Times newsletter for Lawson Workforce Management customers. This edition introduces you to why Samaritan Health Services won our Excellence in Strategic Human Capital Management award. You'll also learn about important changes in our support case management system and how MyLawson.com gives you more power with all your Lawson information in one place. Free.

**Lawson Salutes Samaritan Health Services for
Innovation**

Samaritan Health Services was recognized by Lawson Healthcare recently with the Excellence in Strategic Human Capital Management award. Samaritan saved millions by leveraging Lawson Scheduling and Staffing to create successful business outcomes. [Read more.](#)

**MyLawson.com – It's Going to Improve Our
Relationship**

MyLawson.com – your customer site – is going to change the way you work with us. It's simpler. It's information-packed. And best of all, it's free! Information is power, and MyLawson.com gives you the tools to use your Lawson information to its fullest advantage. Once you're signed up, your up-to-date information is always available to you. [Read more.](#)

Important Changes to the Way You Log a Support Case

Did you know Lawson has a new – and improved – case management system to replace all of our existing systems? Learn the few required steps you need to take to ensure uninterrupted service. [Learn more about CASE.](#)
